## Lebara cuts roaming costs in Turkey

**Düsseldorf, 9th June 2020. From now on, Lebara offers low prices for voice and data roaming in all Türkiye tariffs. Lebara customers benefit from significantly lower costs for mobile calls, data, e-mails and SMS/MMS. Even more: The brand new data roaming pass for Turkey offers 1.5 GB of data volume in Turkey for only € 14.99 \* and is valid for 28 days.**

The need for mobile communication between Germany and Turkey is continuously increasing: Millions of people in this country want to stay in touch with their friends, relatives and business partners there. Even and especially in Corona times. For this reason people in Turkey look forward to share their vacation experiences with those who stayed at home.

Lebara, the specialist for cheap calls abroad, is now offering the perfect solution for all these target groups with the expansion of the Turkey portfolio, a new roaming data package, and even cheaper voice tariffs in Turkey.

Even calling from Germany to Turkey - in the fast LTE and best D network quality - is extremely cheap with the customized Türkiye tariffs. And now all Türkiye tariffs include particularly low prices for voice and data communication! So, incoming calls in Turkey will only cost 22 cents per minute. Outgoing calls to Turkey or Germany only 19 cents. The price for an SMS is only 22 cents. A 100 MB data package is available for just € 3.50.

### *New: 1.5 GB Turkey Data Pass*

Lebara has specially created the data roaming pass for everyone who needs more data volume in Turkey. It offers 1.5 GB of data for your stay in Turkey. The new pass can optionally be booked for the Türkiye S, M, L or XL tariffs and costs only € 14.99 per 28 days. The option can be activated by SMS, in the app or at one of our Lebara partner-shops. The pass can be extended as often as needed and required. "Our customers want to easily use their smartphone and tablet even when they are on vacation in Turkey. With the Turkey data pass, you will be able to surf online in Turkey at particularly favorable conditions and stay in contact with your loved ones via social networks," emphasizes Attila Civelek, Marketing Director of Lebara Germany.

Lebara is now offering up to 3 GB of data volume free of charge for the Türkiye tariffs to new customers in Germany. The summer promotion is limited to July 31, 2020.

### **About Lebara: First choice for global citizens in Germany**

Lebara is the universal brand for people whose family members, friends and business partners are spread across several countries. Lebara helps these people to stay connected across borders, generations and cultures. Founded in 2001, the Lebara Group has developed into an established telecommunications provider in five countries in Europe. Lebara products are easy to understand and very reasonably priced. In this way, Lebara customers stay in contact with their families and friends abroad - easier and cheaper than ever before.
